Our **Top Models**

Meet our all-time favourites! Five top models that have proven popular among Karsten Tent campers over the years. Each comes as a complete package, including a pump. Let us introduce them!

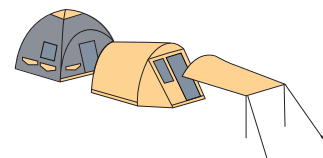

Karsten **Smart**

Luxury for two! Or sleeping space for three. That's what you get with the Karsten Smart. With a handy awning that you can open in the sun or close in the rain, you'll feel on top of the world, wherever you are. Literally, as the Smart is the fastest to set up and perfect for travel. Available in the compact 240 size or the roomier 260. Comes standard with a foot pump.

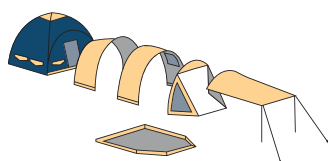

Karsten **Comfort**

Camping comfortably with four? Choose the Karsten Comfort. With a generous standing height of over 2 metres, the base tent accommodates four people. The comfort awning provides a lovely seating area for endless leisure time, and the large rain awning completes the experience.

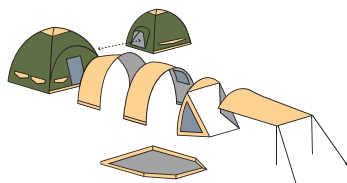

Karsten **Premium**

Camping with the space of home—that's possible with the Karsten Premium. Use the base tent as a master bedroom or a sleeping space for four. The veranda awning guarantees a comfortable living area with patio doors. Open them up, and you're on your own veranda. Hello, world!

Karsten **Family**

Want a sea of space? Choose the Karsten Family. Create your own living room in the extended awning and stay high and dry in any weather with the standard groundsheet. The base tent is spacious, accommodating 4+ people, but can also serve as a master bedroom and walk-in wardrobe in one. Whatever you desire!

Karsten **Family+**

The ultimate in sleeping space is found in the Family+. This top model comes standard with a second bedroom—perfect for the kids, for example! And once they're older, pitch it next to the base tent instead of attaching it. The Family+ includes the same master bedroom and living area as the Family.

Type	Karsten Smart	Karsten Comfort	Karsten Premium	Karsten Family	Karsten Family+
220	2135	-	-	-	-
240	2420	-	-	-	-
260	2715	-	-	-	-
280	-	3529	3664	4543	6103
300	-	3714	3884	4839	6399
350	-	4084	4209	5239	6799
380	-	4704	4829	5859	-

These prices include the complete packages for each top model as described above, including a foot pump (Karsten Smart) or compressor (Comfort, Premium, Family, and Family+), in euros. The Karsten Family+ comes standard with a Karsten 220.
